

Donations of Clothing and Household Goods

(Insert photo UMSD_red_heart.psd)

Using our own employees, we regularly telephone area residents to request **tax-deductible donations of reusable clothing and household items**. Residents place donations outside their homes for free pickup. Donations are sold in bulk to **Value Village** stores (link <http://www.valuevillage.com/main/>) This operation not only provides a convenient service for those wishing to get rid of unwanted items, but it also keeps excess waste out of the landfill and supports our programs at the same time!

The revenue we receive from the sale of household goods provides a significant amount of funding for the work we do.

To donate new or reusable clothing and household items and learn more about what items we are able to accept, please go to our donation website at www.donatecsb.org or to schedule a pick-up online. The site is secure, fast and convenient. You may also call us at **(206) 767-2177** or **(800) 472-2244**, or send an email to pickup@donatecsb.org, to schedule a date for pick-up.

Car Donations

(Insert photo car.gif)

If you are no longer able to drive, or are looking for a way to get rid of that old car in the driveway, you can now donate your vehicle to CSBPS. We'll arrange to pick it up for free and complete all the needed paperwork, including handling the title transfer.

To start the no-hassle donation process, simply call our toll-free car donation line **(877) 870-3659**.
